

THE SCIENTIFIC REPORTS OF THE SAIKYO UNIVERSITY

NATURAL SCIENCE AND LIVING SCIENCE

Vol. 2 No. 5

Contents

MATHEMATICS AND NATURAL SCIENCE

INOUE, K.: Remarks on the sheaves	1
AOKI, A., KAWAMURA, M. and HAYASHI, T.: Directional correlations of the Pt ¹⁹² γ - γ cascades	5
HIRAKI, Y.: Chemical kinetics of the oxydation reactions by manganese dioxide III . 11	
ODA, S.: Determination of 4- α -dimethylaminopropionyl- μ -aminoantipyrine by spectrophotometry	15
MUTSUURA, O. and NAKAHIRA, R.: Chromosome numbers of the family Orchidaceae in Japan (1)	23
NAKANE, T. and ARAKI, M.: The Coleoptera of Yakushima Island, Coccinellidae . . 31	
NAKANE, T. and KISHII, T.: The Coleoptera of Yakushima Island, Elateridae . . . 34	
NAKANE, T.: The Coleoptera of Yakushima Island, Chrysomelidae	43
AZUMA, S.: A micrometeorological study on the diurnal variations of air and earth temperatures	55
Abstracts	93

LIVING SCIENCE

HAYASHI, Y. and HASEGAWA, T.: Microdetermination of Amino Acids (III) 95	
SUGIHARA, M., MIMURA, T. and SHIOZAKI, M.: The correction of the six equal-sized side-holes of a metal flue organ pipe (open at one end): 1) when one hole is opened consecutively by itself, 2) when two consecutive holes are open, 3) when three consecutive holes are open.	103
SUGIHARA, M., MIMURA, T. and SHIOZAKI, M.: The correction of the six equal-sized side-holes of a metal flue organ pipe (open at one end) when a number of holes are opened in random patterns	109
SUGIHARA, M., MIMURA, T. and SHIOZAKI, M.: On the acoustic study of musical chords	113
KUBOTA, T. and SUZUKI, Y.: The reaction rate of aromatic mercuration in the presence of silver perchlorate in glacial acetic acid.	115
KUBOTA, T. and TAKAI, Y.: The reaction of the liquid phase oxidation of m-xylene with oxygen by soluble metal salt.	117
Graduation Theses	121

SOCIAL WELFARE, CHILD STUDY AND PUBLIC HEALTH

SONO, N.: The structure of action	123
MIYAKE, M., SUNAGA, A and NAITO, H.: The tendency of the studies on the deaf-education in Japan and the discussion about these subjects . . 139	
TSUSHIMA, T. and TSUSHIMA, Y.: Experimental failure stress measured by Cattell's anxiety tests	145
TSUSHIMA, T.: Effects of combination of positive and negative reinforcement . . . 153	
KATSUYA, S.: A critical introduction to the statistical method of inference . . . 161	
YAMATO, H.: Cultivation test of <i>Bacillus prodigiosus</i> by K-media	165
Abstracts and Graduation Theses	169

SAIKYO UNIVERSITY
